On September 22, 2024, The Last Shall Be First Scholarships held its first Fund Raising Event in Buffalo New York at Andale Cantina. What a success it was. There were over 92 people in attendance and over \$10,500 raised. We are so grateful for all who attended and those who donated

Everyone had fun making new friends, connecting with old friends, eating, dancing. All of it was done to benefit the deserving students in Peru! It was a lovely and productive day for everyone involved

A special thank you goes out to Kris and Doug Mucher for collecting the many lovely raffle baskets, and to the friends who created them!

Why we donate?

“The Last Shall Be First Scholarship program motivates us to contribute because it is not just a financial handout, but more importantly a “program to change lives”. Remarkably, it has a vision to change lives in a way that portends “lasting impact”. By facilitating a program of education, focusing on job skills, the results change not just one life, but fosters the basis for careers that can support a family and the next generation. By transforming the future outlook of the students, the program contributes to transforming their home families and communities. It is very exciting to hear about the student progress and see the results! The program is clearly an example of ‘Faith in Action, for Others in Need’. The Lord has to be smiling on all involved! “
